

PEER EVALUATION FORM

name/section/group

Sign your name, section number and group number in the space provided. Write your name and the names of each member of your group on the diagonal line. Indicate the degree to which you and your peers participated in Group Project #1. Rate each member's participation from 0-5, with 5 being the highest rating. Be sure to rate yourself. If you or a peer did not participate in the in-class presentation, explain what part you or your peer had "behind the scenes" on the back of this sheet.

1. Present for all or most of in-class group activities.							
2. Was present at planning meetings for class presentation.							
3. Contributed to group project written report.							
4. Actively contributed to discussions on class presentation.							
5. Contributed knowledge appropriate to the assignment.							
6. Was cooperative in arriving at common solutions.							
7. Was helpful to others in the group.							
8. Provided leadership for the group to achieve solutions.
